## VISION of YOGBLISS

In Ancient times Mother-Earth was flourishing with overall well-being (GOLDEN AGE). We aim to bring back Golden Age through Yoga and realistic spirituality blending with modern science update, psychology, and management models to flourish well-being in all the 5 dimensions {physical, energetical, psychological, social and spiritual} Wherein Yoga and Wellness teachers will guide deep into all 5 dimensions of existence.

## MISSION of YOGBLISS

- To train WELLNESS WARRIORS who can: Understand the 5 dimensional existential limitations and strength thoroughly with scientific and realistic spirituality.
- Transform their limitations into strength.
- Transcend their awareness and realize their maximum potential, and ultimately convert their potential into performance.
